

## What's new in RI RED 7.0?

- ✧ More web sites added to search for jobs
- ✧ Refined search capability for jobs and employers including:
  - Search by radius around a zip code
  - Search by date of job posting
- ✧ Employer data includes headquarter information, parent corporation ID and date of last data compilation
- ✧ Custom profiles and comparisons for occupations, industries, and areas
- ✧ Capability to save job searches, skill levels, and other information as a registered user under "My Individual Profile"
- ✧ Integration with pertinent web sites including the Dept. of Labor and Training, Labor Market Information and other sites throughout all RI RED modules
- ✧ Easier navigation, including fly-out menus

## Navigating through RI RED is AS EASY AS....

1. Select the module or menu item from top or internal menu links:
  - Services for Individuals
  - Services for Employers
  - Labor Market Analysis
  - Career Steps
  - Find a Job
2. Select the information you're looking for:
  - Career Services
  - Job Seeker Services
  - Education Services
  - Recruitment Services
  - Labor Market Services
3. Follow screen prompts (time frames, geography and/or dates) and press **Continue** to reach the data required

Data can be viewed from your screen, printed, or downloaded to a text or Excel file.

## Who can use this innovative system?

- ✧ Students
- ✧ Educators
- ✧ Economists
- ✧ Researchers
- ✧ Community Planners
- ✧ Human Resource Professionals

Anyone with access to the Internet can find the LMI data they need right at their fingertips.

**Quality information is just a few clicks away when you're using RI RED.**
